

CERTIFICATION CEREMONY: 14 AUGUST 2009

Childsafe, a campaign of the Child Accident Prevention Foundation, will be hosting a certification ceremony on the 14th August 2009. The ceremony follows the three-day Health and Safety training course, which was held on the 27, 28 & 29 May 2009 for forty three Educare teachers from Delft. This three days course was the initiative of the South African National Road Agency (SANRAL) and the Global Road Safety Partnership (GRSP) aimed at reducing road fatalities around the R300. SANRAL & GRSP outsourced Childsafe to run the training course and provided the financial support for the project.

This ceremony also celebrates the annual Child Safety Month during August where we strive to highlight the opportunity for us all to “ACT NOW! Help save a child’s future”.

After completion of the course, the Educare teachers had to implement the theory they have learned into practice by developing a Health and Safety plan at the childcare facility where they work. A month later, Childsafe then conducted some assessments in all the childcare facilities that received training to evaluate whether these delegates have meet certain minimum criteria. These criteria have been specifically chosen to ensure that children in their care will receive health and safety care of suitable standard.

The certification ceremonial for the successful workshop participants will be in honour of their hard work and dedication in creating safer environments for their facility.

Childsafe hereby invites the media to come to this important occasion to highlight the importance of this day.

**VENUE: JOHNSON & JOHNSON hall
RED CROSS CHILDREN'S HOSPITAL
RONEBOSCH**

TIME : 12H00-13H30
